2025 Joint Utilities' EPIC Workshop

Hosted by Pacific Gas & Electric, Southern California Edison, and San Diego Gas & Electric.

Please join us online or in-person.

Tuesday, July 15

9:00 a.m. – 3:00 p.m.

PG&E Oakland General Office,
2nd Floor Auditorium
300 Lakeside Drive, Oakland, CA

Sign up to attend. Registration link here.

Explore how California's utilities are driving innovation through research, development and demonstration projects focused on:
- Climate Adaptation
- Transportation Electrification
- Distributed Energy Resources (DERs)
- Decarbonization & Achieving Net Zero Energy

Participate in panel discussions, connect with industry experts, and discover how EPIC-funded projects are shaping a more affordable, equitable, reliable, and safe energy future.

Electric Program Investment Charge (EPIC) is funded by California utility customers under the auspices of the CPUC.
